## Current position

Since 09\2016 Postdoctoral researcher, VIDI project, PI: dr. Floris Roelofsen, Institute for Logic, Language and Computation, University of Amsterdam

## Previous positions

01\2017 – 04\2018 PI, VENI project, Center for Language and Cognition, University of Amsterdam

01\2014 – 12\2016 PI, VENI project, Center for Language and Cognition, University of Groningen

02\2013 – 09\2015 Lecturer, Department of Linguistics, University of Groningen

05\2013 – 11\2013 Postdoctoral researcher, linguistics, Utrecht University  
Replacement of PI Rick Nouwen in the VIDI project “Degrees under Discussion”

05\2011 – 05\2013 PI, Rubicon project, University of California Santa Cruz

09\2010 – 03\2011 Lecturer, Department of Linguistics, University of Groningen

## Education

- 2005 – 2010 PhD student at Utrecht University, Utrecht (degree received 03\2010)  
Field: Linguistics  
Supervisors: Eric Reuland, Tanya Reinhart, Manfred Krifka (during the stay in ZAS, Berlin)
- 2008 – 2009 Visiting PhD student at ZAS, Berlin
- 2002 – 2004 Master of Philosophy at University of Tromsø, Tromsø  
Field: Linguistics
- 1997 – 2002 Master Programme at Charles University, Prague  
Field: Czech language and literature, Slovenian language and literature

## Work experience in linguistics prior to PhD studies

- 02\2005 – 04\2005 Research assistant, Institute of Formal and Applied Linguistics, Charles University, Prague  
Responsibilities: Syntactic and semantic annotation of Prague Dependency Treebank
- 2001 – 2003 Research assistant, Institute of Formal and Applied Linguistics, Charles University, Prague  
Responsibilities: Development of annotation rules, annotation of Prague Dependency Treebank

## Awarded grants

- 2013 VENI grant for post-doctoral research, awarded by the Netherlands Organisation for Scientific Research (NWO)
- 2010 Rubicon grant for post-doctoral research, awarded by the Netherlands Organisation for Scientific Research (NWO)
- 2009 Grant from Utrecht university for the preparation of a post-doctoral research proposal
- 2008 Grant to study at ZAS, Berlin, for the period of up to 6 month

## **Presentations**

2018

---

Incremental interpretation, experimental evidence and an ACT-R analysis, Lecture, Potsdam, May

Negation in Czech: How logical and syntactic constraints interact in licensing semantic concepts, Lecture, Goettingen, January

A cognitively realistic left-corner parser with visual and motor interfaces, CUNY processing, UC Davis, March (with A. Brasoveanu)

Incremental interpretation, Linguistic colloquium, Gothenburg, February

Dynamic properties of question words, PALLMYR, UCL, London, November

2017

---

Modeling lexical access in ACT-R, AMLAP, September

Questions in inquisitive dynamic semantics. Inquisitiveness Below and Beyond the Sentence

Boundary, Broek in Waterland, June

Workshop on designing and analyzing acceptability judgement tasks. Workshop at conference Linguistics Prague 2017, Prague, April

Incremental interpretation of distributive readings. Semantic seminar, Tromsø, March

Intermediate traces in mind. Workshop, Tromsø, March

## 2016

---

The scope of nominal quantifiers in comparative clauses. *Sinn und Bedeutung* 21, Edinburgh, September (with R. Nouwen)

When is not-believing believing that-not?. Poster, *Sinn und Bedeutung* 21, Edinburgh, September (with M. Dočekal)

Adjectival Modification of Numerals. *LogiCon*, Utrecht University, September (with L. Bylina and H. Klockmann)

All the time you need to calculate implicatures. Poster, *AMLaP*, University of Bilbao, September

Intermediate traces in mind. Leiden University, June

Incremental interpretation and its disruption by negative arguments. Poster, *29th Annual CUNY Conference on Human Sentence Processing*, University of Florida, March

On-line processing of bi-aspectual verbs in Czech. Poster, *29th Annual CUNY Conference on Human Sentence Processing*, University of Florida, March (with S. Matějka)

Processing at least in ignorance contexts is costly. Poster, *29th Annual CUNY Conference on Human Sentence Processing*, University of Florida, March (with S. Alexandropoulou)

## 2015

---

Intermediate traces in mind. *Syntax interface lectures*, Utrecht University, November

Workshop: Experimental Methods in Linguistics. Invited presentation & workshop, *Central European Conference in Linguistics for Postgraduate Students 5*, University of Olomouc, September

Incremental interpretation: experimental evidence and an ACT-R analysis. *Experimental Linguistics in Utrecht*, Utrecht University, June

Intermediate traces in mind. Invited talk, *Workshop That depends. . . On the occasion of*

*Pavels thesis defence*, University of Groningen, April

The timing and manner of updating quantifier scope representations in discourse. *Seminar in logic and language*, Tilburg University, March

Processing pluralities: syntax and the lexicon. Poster, *28th Annual CUNY Conference on Human Sentence Processing*, USC, March

Processing pluralities: syntax and the lexicon. Invited talk, *Workshop on the occasion of Hanna de Vries' defense*, Utrecht University, March

## 2014

---

Why is distributivity so hard? New evidence from distributivity markers and licensors in Czech. Invited talk, *Formal description of Slavic linguistics 10.5*, University of Brno, Czech republic, December

Probabilistic semantic automata in the verification of quantified statements. *TABUdag*, University of Groningen, June

The comparative and plural degrees. Invited talk, *Workshop on (co-)distributivity*, CNRS, Paris, February

## 2013

---

Incremental semantics. *Linguistics lunch*, University of Groningen, December

The manner and time course of updating quantifier scope representations in discourse. *Nijmegen linguistic talks*, Radboud University, Nijmegen, October

Peeling and Czech retroactive infinitives. Invited talk, University of Stuttgart, June

The processing of quantifier scope. *Talks on cross-linguistic semantics*, ILLC Amsterdam, May

Peeling and Czech retroactive infinitives. *Syntax interface lectures*, Utrecht University, February

## 2012

---

The on-line interpretation of *same*. *DiP colloquium*, ILLC Amsterdam, November

Distributivity: Its sources and incremental interpretation. Invited talk, *UCSC Colloquium Series*, October

The online interpretation of sentence-internal *same* and distributivity. *Semantics and Linguistic Theory 22*, University of Chicago, May

Processing of distributivity. Charles University, Prague, March

## 2011

---

Licensing sentence-internal readings in English: An experimental study. *18<sup>th</sup> Amsterdam Colloquium*, Amsterdam, December

The acquisition of distributivity in pluralities. *Boston University Conference on Language Development 36*, Boston, November

A novel analysis of binominal *each*. *Sinn und Bedeutung 16*, Utrecht, September

Fastidious distributivity. *Semantics and Linguistic Theory 21*, Rutgers university, May

## 2010

---

Fastidious distributivity. *Utrecht Semantics Meetings*, Utrecht University, September

The sentence-internal reading of the adjective *same* and its kin. *Leiden Utrecht Semantics Happenings*, Leiden, February

## 2009

---

Distributivity in reciprocal sentences. *Amsterdam Colloquium 17*, University of Amsterdam, December

Two strategies on binding anaphora. *Two-Day Workshop in Honor of Prof. Eric Reuland*, Utrecht University, October

Distributivity, *same* and *different*. *Nijmegen linguistic talks*, Radboud University, Nijmegen, April

Distributivity, *same* and *different*. *Journées de Sémantique et Modélisation*, Paris, April

## 2008

---

How strong is the Strongest Meaning Hypothesis. University of Potsdam, Potsdam, December

Null theory of long-distance reciprocity in English. *39th meeting of North Eastern Linguistics Society*, Cornell University, Ithaca, November (with Ø. Nilsen)

Long-distance reciprocity in English. ZAS, Berlin, Germany, November (with Ø. Nilsen)

'The others' compared to 'each other' – Consequences for the analysis of reciprocity. *Generative Linguistics in the Old World 31*, Newcastle University, March (with Ø. Nilsen)

'The others', 'each other', and the Strongest Meaning Hypothesis. *Semantics and Linguistic Theory 18*, University of Massachusetts, Amherst, March (with Ø. Nilsen)

Reciprocals in space. *The 8th Szklarska Poreba Workshop*, Szrenica, Poland, February (with M. Schouwstra)

Across the Board extraction of clitics across Slavic. *Linguistics in the Netherlands*, Utrecht University, February

'The others' compared to 'each other' – Consequences for the analysis of reciprocity. *Linguistics in the Netherlands*, Utrecht University, February (with Ø. Nilsen)

Why modified numerals lack exceptional wide-scope readings. *ConSOLE 16*, Paris, January

## 2007

---

Quantifier Modification: Introduction to the workshop topic. *ESSLLI workshop*, Trinity College, Dublin, August (with R. Nouwen)

Distributive reading and expressions of non-identity in Dutch. *Experimental Linguistics Talks in Utrecht*, Utrecht University, June (with Ø. Nilsen)

Across-the-Board extraction and clitic omission in Czech. *Midweek Utrecht syntax talks*, Utrecht University, May

Across-the-Board extraction and clitic omission in Czech. *Formal Approaches to Slavic Linguistics*, Stony Brook University, May

## 2006

---

Constraints on the adjectives 'same' and 'different'. *Semantics in the Netherlands 4*, Utrecht University, June

Why clitics cannot climb out of CP. *Formal Approaches to Slavic Linguistics*, University of Toronto, May

Constraints on 'different'. *Workshop on Logic and Linguistics*, Utrecht University, March (with Ø. Nilsen)

## 2004

---

Non-local binding in Slavic languages and restructuring. *ConSOLE 13*, University of Tromsø, December

Jedno syntaktické omezení u neprojektivních konstrukcí s klitikami [One syntactic restriction on non-projective clitic constructions]. *Korpus jako zdroj dat o češtině*, October

## Teaching and supervision

2018

---

Supervision: *Evelyne van Oers, Steven Bal* (first supervisor). BA Thesis. Title: A cognitively constrained left-corner parser and its prediction for reading data. Artificial Intelligence, University of Amsterdam.

Supervision: *Marvin Schmitt* (second supervisor). MA Thesis. Title: Presuppositional particles in questions. Master of Logic, University of Amsterdam.

Basic Probability: Theory and Programming (3+3 ECTS)  
Master of Logic Programme, Master of Logic, University of Amsterdam

**Responsibilities:** Course design, lecturer

**Enrollment:** 20 students

Basic Probability: Theor and Programming (3+3 ECTS)  
Master of Logic Programme, Master of Logic, University of Amsterdam

**Responsibilities:** Course design, lecturer

**Enrollment:** 10 students

2017

---

Logic and conversation (6 ECTS)  
Master of Logic Programme, Master of Logic, University of Amsterdam

**Responsibilities:** Course design, lecturer

**Enrollment:** 10 students

Supervision: *Nanda de Jonge* (first supervisor). BA Thesis. Title: De interruptie door negatieve objecten tijdens incrementele interpretatie: biedt monotonie inzicht? Linguistics, University of Groningen.

*Morwenna Hoeks, Luca van der Kamp* Master of Logic, MA student project, University of Amsterdam

Cognitive modeling in linguistics: connecting experimental findings and theoretical claims, Eastern Generative Grammar School 2017, Olomouc, Czech republic

2016

---

Supervision: *Anne Miedema* (first supervisor). BA Thesis. Title: Pronomenresolutie in het Nederlands in de aanwezigheid van een onmogelijk antecedent. Linguistics, University of Groningen.

*Lieke Hettema* (first supervisor). BA thesis. Title: Interpretatie van presuppositie tijdens self-paced reading. Linguistics, University of Groningen. *Nienke Eikens* (first supervisor). BA Thesis. Title: De interpretatie van negatie. Linguistics, University of Groningen. *Sanne Hamelink* (first supervisor). BA Thesis. Title: Een Studie naar de Invloed van Woordfrequentie en Presuppositie Accommodatie op Leestijde. Linguistics, University of Groningen.

Taalverandering en taalcontact ('Language contact and change') (5 ECTS)  
Bachelor's Programme, Department of linguistics, University of Groningen

**Responsibilities:** Course design, lecturer

**Enrollment:** 50 students

Semantiek II ('Semantics II') (5 ECTS)

Bachelor's Programme, Department of linguistics, University of Groningen

**Responsibilities:** Course design, lecturer (together with B. Hollebrandse)

**Enrollment:** 40+ students

## 2015

---

Supervision: *Mets Visser* (first supervisor). MA Thesis. Title: Binominal each in event modifiers. Research Master Linguistics, University of Groningen.

Supervision: *Anna de Koster* (second supervisor). MA Thesis. Title: The acquisition of Distributivity and its relationship with the Adjective of Comparison 'Different'. Artificial Intelligence, Human-Machine Communication, University of Groningen.

How to study and analyze reading – two experimental methods. Summer School of Linguistics, Dačice, Czech republic

**Responsibilities:** Course design, lecturer

**Enrollment:** 10 students

Taalverandering en taalcontact ('Language contact and change') (5 ECTS)  
Bachelor's Programme, Department of linguistics, University of Groningen

**Responsibilities:** Course design, lecturer

**Enrollment:** 50 students

Semantiek II ('Semantics II') (5 ECTS)

Bachelor's Programme, Department of linguistics, University of Groningen

**Responsibilities:** Course design, lecturer (together with B. Hollebrandse)

**Enrollment:** 50+ students

## 2014

---

Syntaxis I (5 ECTS, co-instructor)

Bachelor's programme, Department of linguistics, University of Groningen

**Responsibilities:** Discussing assignments and exams in weekly practice classes (1 group of 20 students)

Taalverandering en taalcontact ('Language contact and change') (5 ECTS)

Bachelor's Programme, Department of linguistics, University of Groningen

**Responsibilities:** Course design, lecturer

**Enrollment:** 50+ students

## 2013

---

Syntactic and Semantic Theory (10 ECTS)

Linguistics, Research MA programme, Department of linguistics, University of Groningen

**Responsibilities:** Course design, lecturer (one half of the course)

**Enrollment:** 5 students

The Syntax of Verbs (10 ECTS)

European linguistics, MA programme, Department of linguistics, University of Groningen

**Responsibilities:** Course design, lecturer

**Enrollment:** 10 students

Syntaxis I (5 ECTS, co-instructor)

Bachelor's programme, Department of linguistics, University of Groningen

**Responsibilities:** Discussing assignments and exams in weekly practice classes (2 groups of 20 students each)

Taalverandering en taalcontact ('Language contact and change') (5 ECTS)

Bachelor's Programme, Department of linguistics, University of Groningen

**Responsibilities:** Course design, lecturer

**Enrollment:** 50 students

## 2011

---

Quantifiers, or Introduction to Formal Semantics

Summer School of Linguistics, Dačice, Czech republic

**Responsibilities:** Course design, lecturer

**Enrollment:** 20+ students

## 2010

---

Semantics I (10 ECTS)

Master's Programme, Department of linguistics, University of Groningen

**Responsibilities:** Course design, lecturer

**Enrollment:** 3 students

Nieuwe ontwikkelingen in de semantiek ('New developments in semantics') (5 ECTS)

Bachelor's programme, Department of linguistics, University of Groningen

**Responsibilities:** Course design, lecturer

**Enrollment:** 30+ students

Syntaxis I: Zinsleer (5 ECTS, co-instructor)

Bachelor's programme, Department of linguistics, University of Groningen

**Responsibilities:** Discussing assignments and exams in weekly practice classes (2 groups of 10+ students each)

2008

---

Introduction to Syntax (2.5 ECTS)

Master's Programme, Utrecht Institute of Linguistics OTS

**Responsibilities:** Course design, lecturer

**Enrollment:** 6 students

2007

---

Foundations of Linguistics (7.5 ECTS, teaching assistant)

Master's Programme, Utrecht Institute of Linguistics OTS

Main Instructor: Eric Reuland

**Responsibilities:** Correcting assignments, exams, discussing assignments in weekly seminar meetings

**Enrollment:** 20 students

2006

---

Foundations of Linguistics (10 ECTS, teaching assistant)

Master's Programme, Utrecht Institute of Linguistics OTS

Main Instructor: Tanya Reinhart

**Responsibilities:** Correcting assignments, exams, discussing assignments in weekly seminar meetings

**Enrollment:** 20 students

## Service (PhD defenses, reviewing, organization)

- 2017-18      organizer of inquisitive semantics seminar
- 2017          organizer of workshop Inquisitive semantics below and beyond sentence boundaries
- 2017          member of Hana Strachonova's PhD defense committee (Masaryk University, Brno)
- 2017          member of Sergei Minor's PhD defense committee (University of Tromsø, Tromsø)
- 2016-         associate editor, *Journal of Semantics*
- 2015          member of Hanna de Vries' PhD defense committee (Utrecht University)
- 2007–2008   co-organizer of *Leiden Utrecht Semantics Happenings*, monthly lectures on semantics
- 2007          co-organizer of *Quantifier Modification*, a semantics workshop at ESSLLI, Trinity College, Dublin
- 2006          co-organizer of *Syntax and semantics of spatial P*, Utrecht University
- co-organizer of *Syntax AiO meeting*, Utrecht University
