Presentations

2015

Workshop: Experimental Methods in Linguistics. Invited presentation & workshop, *Central European Conference in Linguistics for Postgraduate Students 5*, University of Olomouc, September

Incremental interpretation: experimental evidence and an ACT-R analysis. Invited talk, *Experimental Linguistics in Utrecht*, Utrecht University, June

Intermediate traces in mind. Invited talk, *Workshop That depends. . . On the occassion of Pavels thesis defence*, University of Groningen, April

The timing and manner of updating quantifier scope representations in discourse. Invited talk, *Seminar in logic and language*, Tilburg University, March

Processing pluralities: syntax and the lexicon. Poster, *28th Annual CUNY Conference on Human Sentence Processing*, USC, March

Processing pluralities: syntax and the lexicon. Invited talk, *Workshop on the occasion of Hanna de Vries' defense*, Utrecht University, March

2014

Why is distributivity so hard? New evidence from distributivity markers and licensors in Czech. Invited talk, *Formal description of Slavic linguistics 10.5*, University of Brno, Czech republic, December

Probabilistic semantic automata in the verification of quantified statements. *TABUdag*, University of Groningen, June

The comparative and plural degrees. Invited talk, *Workshop on (co-)distributivity*, CNRS, Paris, February

2013

Incremental semantics. Invited talk, *Linguistics lunch*, University of Groningen, December

The manner and time course of updating quantifier scope representations in discourse. Invited talk, *Nijmegen linguistic talks*, Radboud University, Nijmegen, October

Peeling and Czech retroactive infinitives. Invited talk, University of Stuttgart, June

The processing of quantifier scope. Invited talk, *Talks on cross-linguistic semantics*, ILLC Amsterdam, May

Peeling and Czech retroactive infinitives. Invited talk, *Syntax interface lectures*, Utrecht University, February

2012

The on-line interpretation of *same*. Invited talk, *DiP colloquium*, ILLC Amsterdam, November

Distributivity: Its sources and incremental interpretation. Invited talk, *UCSC Colloquium Series*, October

The online interpretation of sentence-internal *same* and distributivity. *Semantics and Linguistic Theory 22*, University of Chicago, May

Processing of distributivity. Invited talk, Charles University, Prague, March

2011

Licensing sentence-internal readings in English: An experimental study. *18th Amsterdam Colloquium*, Amsterdam, December

The acquisition of distributivity in pluralities. *Boston University Conference on Language Development 36*, Boston, November

A novel analysis of binominal *each*. *Sinn und Bedeutung 16*, Utrecht, September

Fastidious distributivity. *Semantics and Linguistic Theory 21*, Rutgers university, May

2010

Fastidious distributivity. Invited talk, *Utrecht Semantics Meetings*, Utrecht University, September

The sentence-internal reading of the adjective *same* and its kin. *Leiden Utrecht Semantics Happenings*, Leiden, February

2009

Distributivity in reciprocal sentences. *Amsterdam Colloquium 17*, University of Amsterdam, December

Two strategies on binding anaphora. *Two-Day Workshop in Honor of Prof. Eric Reuland*, Utrecht University, October

Distributivity, *same* and *different*. *Nijmegen linguistic talks*, Radboud University, Nijmegen, April

Distributivity, *same* and *different*. *Journées de Sémantique et Modélisation*, Paris, April

2008

How strong is the Strongest Meaning Hypothesis. University of Potsdam, Potsdam, December

Null theory of long-distance reciprocity in English. *39th meeting of North Eastern Linguistics Society*, Cornell University, Ithaca, November (with Ø. Nilsen)

Long-distance reciprocity in English. ZAS, Berlin, Germany, November (with Ø. Nilsen)

'The others' compared to 'each other' – Consequences for the analysis of reciprocity. *Generative Linguistics in the Old World 31*, Newcastle University, March

'The others', 'each other', and the Strongest Meaning Hypothesis. *Semantics and Linguistic Theory 18*, University of Massachusetts, Amherst, March

Reciprocals in space. *The 8th Szklarska Poreba Workshop*, Szrenica, Poland, February

Across the Board extraction of clitics across Slavic. *Linguistics in the Netherlands*, Utrecht University, February

'The others' compared to 'each other' – Consequences for the analysis of reciprocity. *Linguistics in the Netherlands*, Utrecht University, February

Why modified numerals lack exceptional wide-scope readings. *ConSOLE 16*, Paris, January

Quantifier Modification: Introduction to the workshop topic. *ESSLLI workshop*, Trinity College, Dublin, August

Distributive reading and expressions of non-identity in Dutch. *Experimental Linguistics Talks in Utrecht*, Utrecht University, June

Across-the-Board extraction and clitic omission in Czech. *Midweek Utrecht syntax talks*, Utrecht University, May

Across-the-Board extraction and clitic omission in Czech. *Formal Approaches to Slavic Linguistics*, Stony Brook University, May

Constraints on the adjectives 'same' and 'different'. *Semantics in the Netherlands 4*, Utrecht University, June

Why clitics cannot climb out of CP. *Formal Approaches to Slavic Linguistics*, University of Toronto, May

Constraints on 'different'. *Workshop on Logic and Linguistics*, Utrecht University, March (with Ø. Nilsen)

Non-local binding in Slavic languages and restructuring. *ConSOLE 13*, University of Tromsø, December

Jedno syntaktické omezení u neprojektivních konstrukcí s klitikami [One syntactic restriction on non-projective clitic constructions]. *Korpus jako zdroj dat o češtině*, October

Teaching

How to study and analyze reading – two experimental methods. Summer School of Linguistics, Dačice, Czech republic
Responsibilites: Course design, lecturer
Enrollment: 10 students

Taalverandering en taalcontact ('Language contact and change') (5 ECTS)

Bachelor's Programme, Department of linguistics, University of Groningen
Responsibilites: Course design, lecturer
Enrollment: 50 students

Semantiek II ('Semantics II') (5 ECTS)
Bachelor's Programme, Department of linguistics, University of Groningen
Responsibilites: Course design, lecturer (together with B. Hollebrandse)
Enrollment: 50+ students

2014

Syntaxis I (5 ECTS, co-instructor)
Bachelor's programme, Department of linguistics, University of Groningen
Responsibilites: Discussing assignments and exams in weekly practice classes (1 group of 20 students)

Taalverandering en taalcontact ('Language contact and change') (5 ECTS)
Bachelor's Programme, Department of linguistics, University of Groningen
Responsibilites: Course design, lecturer
Enrollment: 50+ students

2013

Syntactic and Semantic Theory (10 ECTS)
Linguistics, Research MA programme, Department of linguistics, University of Groningen
Responsibilites: Course design, lecturer (one half of the course)
Enrollment: 5 students

The Syntax of Verbs (10 ECTS)
European linguistics, MA programme, Department of linguistics, University of Groningen
Responsibilites: Course design, lecturer
Enrollment: 10 students

Syntaxis I (5 ECTS, co-instructor)
Bachelor's programme, Department of linguistics, University of Groningen
Responsibilites: Discussing assignments and exams in weekly practice classes (2 groups of 20 students each)

Taalverandering en taalcontact ('Language contact and change') (5 ECTS)
Bachelor's Programme, Department of linguistics, University of Groningen
Responsibilites: Course design, lecturer
Enrollment: 50 students

2011

Quantifiers, or Introduction to Formal Semantics
Summer School of Linguistics, Dačice, Czech republic
Responsibilites: Course design, lecturer
Enrollment: 20+ students

2010

Semantics I (10 ECTS)
Master's Programme, Department of linguistics, University of Groningen
Responsibilites: Course design, lecturer
Enrollment: 3 students

Nieuwe ontwikkelingen in de semantiek ('New developments in semantics') (5 ECTS)
Bachelor's programme, Department of linguistics, University of Groningen
Responsibilites: Course design, lecturer
Enrollment: 30+ students

Syntaxis I: Zinsleer (5 ECTS, co-instructor)
Bachelor's programme, Department of linguistics, University of Groningen
Responsibilites: Discussing assignments and exams in weekly practice classes (2 groups of 10+ students each)

2008

Introduction to Syntax (2.5 ECTS)
Master's Programme, Utrecht Institute of Linguistics OTS
Responsibilites: Course design, lecturer
Enrollment: 6 students

2007

Foundations of Linguistics (7.5 ECTS, teaching assistant)
Master's Programme, Utrecht Institute of Linguistics OTS
Main Instructor: Eric Reuland
Responsibilites: Correcting assignments, exams, discussing assignments in weekly seminar meetings
Enrollment: 20 students

2006

Foundations of Linguistics (10 ECTS, teaching assistant)
Master's Programme, Utrecht Institute of Linguistics OTS
Main Instructor: Tanya Reinhart
Responsibilites: Correcting assignments, exams, discussing assignments in weekly seminar

4tfor journals *Semantics and Pragmatics*, *Journal of Semantics*, *Lingua*, *Linguistics in the Netherlands*, *Linguistic Inquiry*, *Natural Language and Linguistic Theory*, reviewer for Slavic and semantic conferences (FDSL, FASL, Amsterdam Colloquium, ESSLLI, SALT, SuB)

2007–2008	Co-organizer of *Leiden Utrecht Semantics Happenings*, monthly lectures on semantics
2007	Co-organizer of *Quantifier Modification*, a semantics workshop at ESSLLI, Trinity College, Dublin
2006	Co-organizer of *Syntax and semantics of spatial P*, Utrecht University
	Co-organizer of *Syntax AiO meeting*, Utrecht University

Awarded grants

2013 VENI grant for post-doctoral research, awarded by the Netherlands Organisation for Scientific Research (NWO)
2010 Rubicon grant for post-doctoral research, awarded by the Netherlands Organisation for Scientific Research (NWO)
2009 Grant from Utrecht university for the preparation of a post-doctoral research proposal
2008 Grant to study at ZAS, Berlin, for the period of up to 6 month
